

Please keep our students safe! Follow these rules
when you travel to and from school:

Arrival and Dismissal Safety

DO cross only at crosswalks and corners
Crosswalks are the safest crossing points for pedestrians; drivers are more likely to be paying attention at crosswalks.

DO find a legal parking space and walk in to school with your child(ren)
Please make sure you are not blocking driveways, encroaching on sidewalks, or blocking visibility to crosswalks.

DO stay with your car at all times when in the pick-up/drop-off zone
Stepping away from your car for a moment constitutes parking in a loading zone; when you stay with your car, traffic flows more quickly and smoothly. Use ONLY the right lane to unload/load safely at curb.

DO NOT let children cross in the middle of the block or through traffic lanes
When children cross at unexpected areas or between vehicles, drivers are far less likely to see them, causing unsafe situations.

DO NOT make U-turns in or near the school
U-turns and backing up in school parking lots are among the most unsafe driver behaviors around schools for pedestrians.

DO NOT park in pick-up/drop-off or bus zones
If you have school business to attend to in the office, please use a designated visitor parking space or park off-site.

Let's work together to keep arrival and dismissal
safe and stress-free!
